

Clock Generator 25MHz-IN 24-Pin QFN EP Tray

Manufacturer:	Skyworks Solutions, Inc
Package/Case:	QFN
Product Type:	Clock & Timer ICs
RoHS:	RoHS Compliant/Lead free 
Lifecycle:	Active

General Description

Key Features

- Low power, push-pull HCSL compatible differential outputs
- No termination resistors required
- Dedicated output enable hardware pins for each clock output
- Dedicated hardware pins for spread spectrum and frequency control on differential outputs
- Up to two PCI-Express clocks
- Signal integrity tuning
- Triangular spread spectrum profile for maximum electromagnetic interference (EMI) reduction
