

LED Driver 6V 40-Pin PDIP W

Manufacturer:	Maxim Integrated
Package/Case:	DIP
Product Type:	Optoelectronics
Lifecycle:	Obsolete

General Description

Avaq Semiconductor offers the highly versatile and reliable ICM7225IPL driver, produced by Maxim Integrated. With its multifunctional and high-performance capabilities, this component is an excellent choice for a wide range of electronic projects.

To ensure that you have all the necessary information to make the most of this component, Avaq provides a free datasheet PDF, as well as circuit diagrams, pin layouts, pin details, pin voltage ratings, and equivalent components for the ICM7225IPL.

Avaq also offers free samples. Simply fill out and submit the sample request form to receive your free samples for testing. If you have any questions, please feel free to contact us at ar
