

Trans Darlington PNP 50V 4A 4000mW 10-Pin SIP

Images are for reference only

[Inquiry](#)

Manufacturer: [Sanken Electric Co., Ltd](#)

Package/Case: ZIP10

Product Type: Thyristors

Lifecycle: Active

General Description

Silicon PNP epitaxial darlington transistor array (4in1)Source driver arrays

Key Features

Built-in 4-element PNP darlington transistor.

High DC current gain

Application

Relay driver

Solenoid driver

lamp driver

LED driver
